Residential on 0.12 Acres

MAINLANDS OF TAMARAC, PINELLAS PARK, FL

This beautifully maintained home offers both style and peace of mind, starting with a paver driveway and front patio, a new hurricane-rated garage door (2021), and accordion hurricane shutters with locks and keys for all windows. Inside, the layout features engineered hardwood floors throughout the home, plantation shutters on every window, and a welcoming living room that flows into a kitchen with quartz counters, soft-close drawers, composite sink, pantry, and white appliances (2017). Multiple dining options include a formal space with chandelier and a cozy informal nook with built-in cabinetry. The enclosed flex space with 5 windows and closet provides endless versatility. The spacious primary suite boasts a walk-in closet with mirrored doors and an ensuite bath with step-in tiled shower, quartz vanity, and abundant storage. Additional highlights include a 2nd bedroom with custom built-ins, a 2nd bath with pocket door and quartz finishes, and a large family room filled with natural light. Practical upgrades ensure lasting value, including an upgraded electrical panel (2015), whole-home surge protection (2017), HVAC (2017), water heater (2022), water softener (2022), and a tile roof (2005, inspected and certified in 2024 with 10 years of life remaining). All windows were replaced in 2010 with tilt-in easy-clean design, and the garage offers extensive cabinetry, built-in shelving, and pull-down attic stairs with partial

flooring. With paver walkways, gutters, an open backyard with grass, and no homes across the street. This home blends thoughtful upgrades, functional living, and a prime location into one perfect package.
